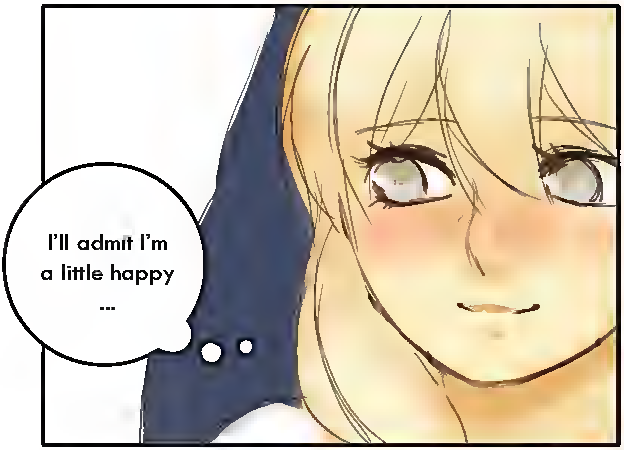
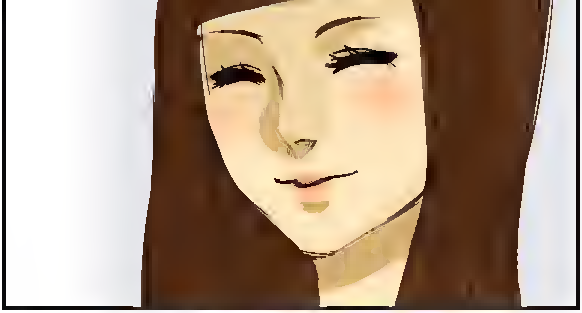
I thought we agreed I'd be introduced as his friend?

Even so...

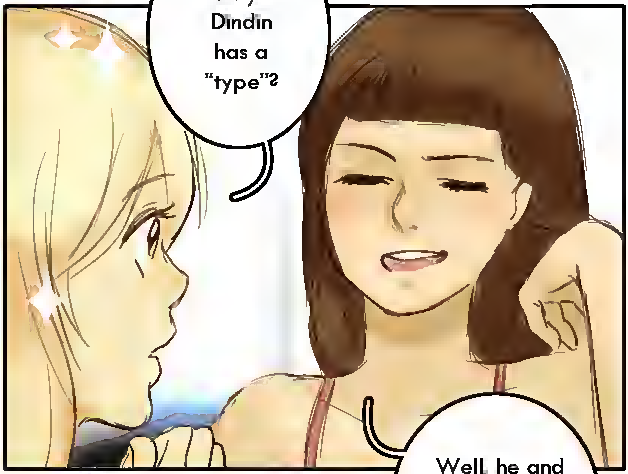


I'll admit I'm
a little happy
...

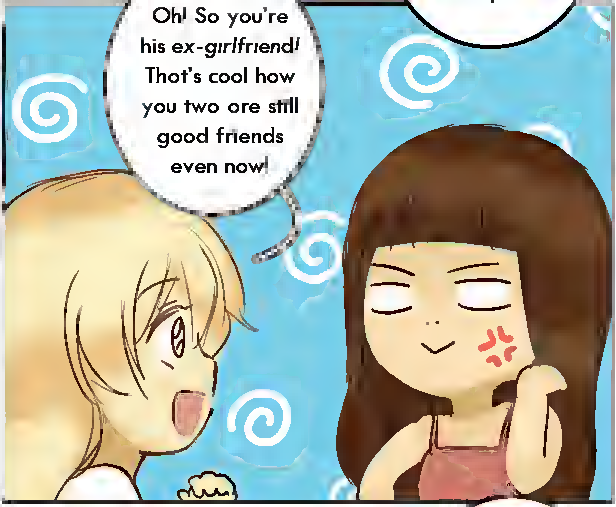


Ah, no wonder! Why didn't you tell me sooner? Landon never brings *just anyone* with him!

I'm just so surprised. You don't seem like his type at all! Just kidding~ hehe



Gasp!
Dindin has a "type"?
Well, he and I have dated before in the past.



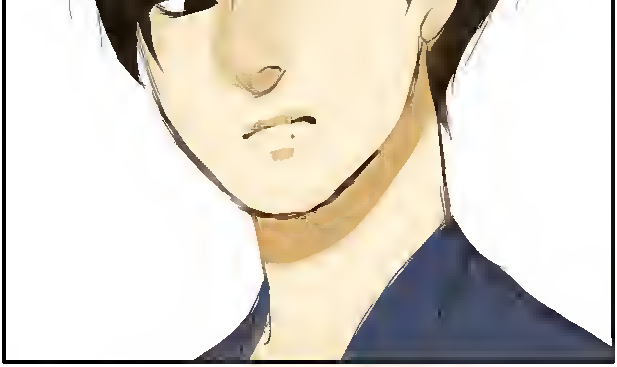
Oh! So you're his ex-girlfriend! That's cool how you two are still good friends even now!
Anyway, when did you

both start dating?
I want to know
everything!

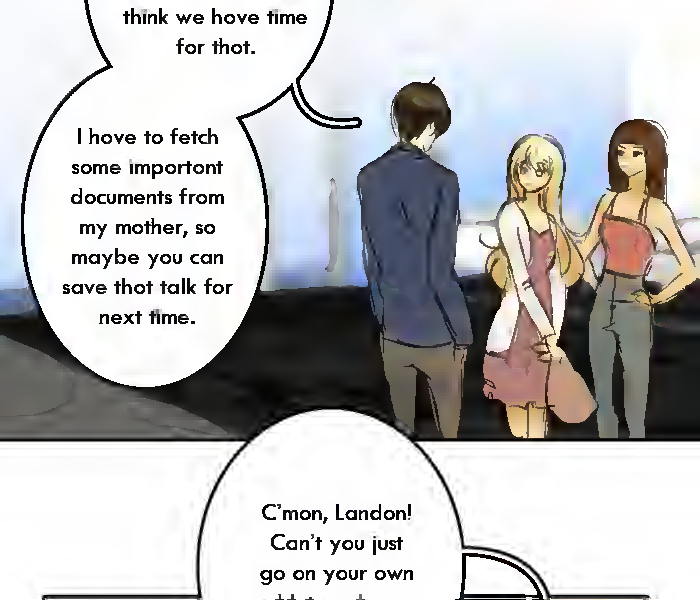
E-everything?!
Does that mean
I can actually talk
to someone about
my relationship

with Dindin?!

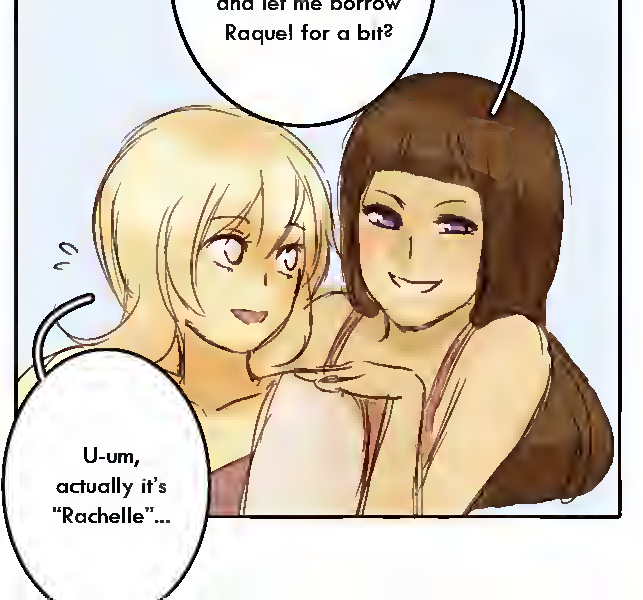
GIRL TALK!



We're running an errand right now, so I don't



think we hove time for thot.
I hove to fetch some importont documents from my mother, so maybe you can save thot talk for next time.
C'mon, Landon! Can't you just go on your own



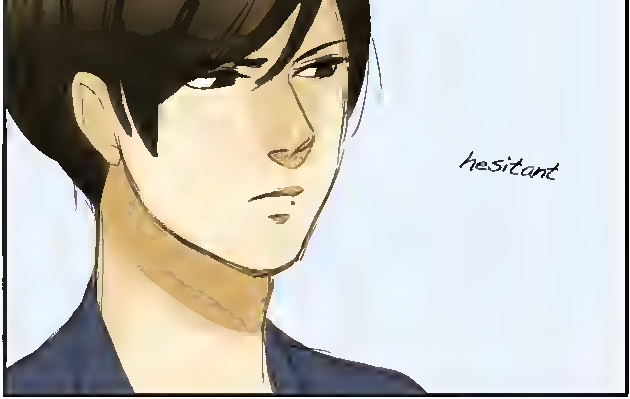
and let me borrow Raquel for a bit?
U-um, actually it's "Rachelle"...

And besides, I think the company president is super busy right now. It's probably best if you visit her alone.

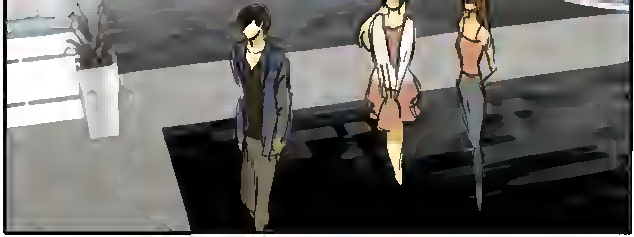
Oh-- In thot cose, I don't wont to be o bother. I wouldn't mind wotting here ond tolking to Soyo!
You look tense. Whot's the motter, London? Scored I'm gonno soy something bod to your girlfriend? ...You don't hove onything to hide, do you?

... I'll be
back soon.

okay?
Alright~

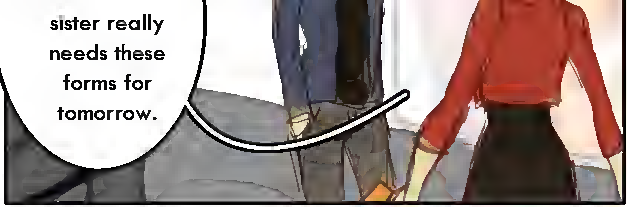


hesitant

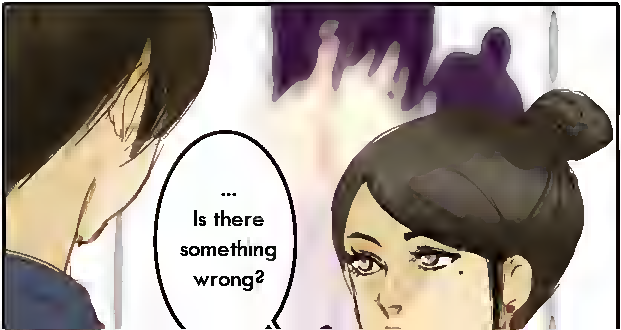


I didn't know whether thot uneasy feeling in my stomoch wos coused by my worriness towords Soyo...

Or the fact that this place reminded me of all the wrongs I have done in the past.



sister really needs these forms for tomorrow.

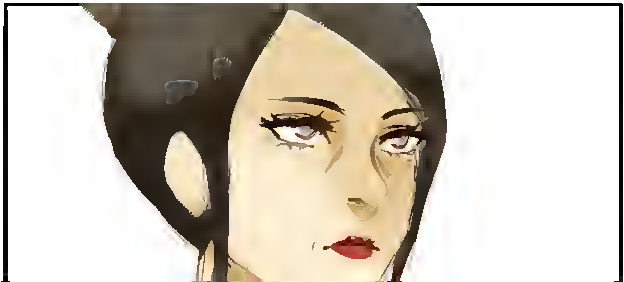


...
Is there something wrong?

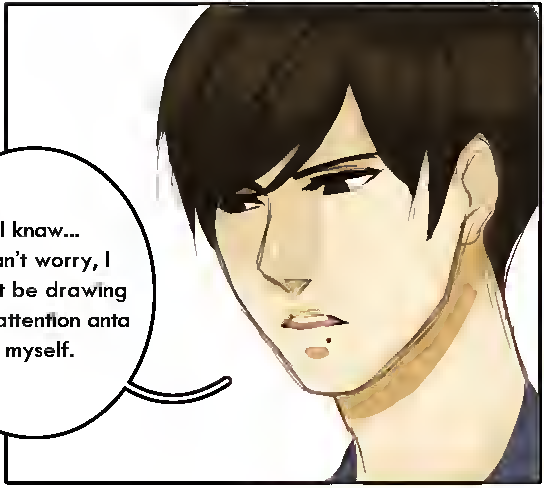
No, I'm fine, Mom.
...
Have you been doing well in school? You're not skipping classes anymore, are you?

sigh

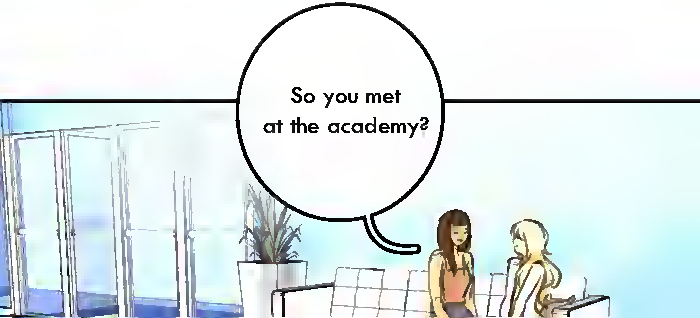
Yes, I've been attending all my classes.



Listen, London... Your sister has worked very hard to get to where she is right now.
All I'm asking is for you to be on your best behavior when the press comes to your

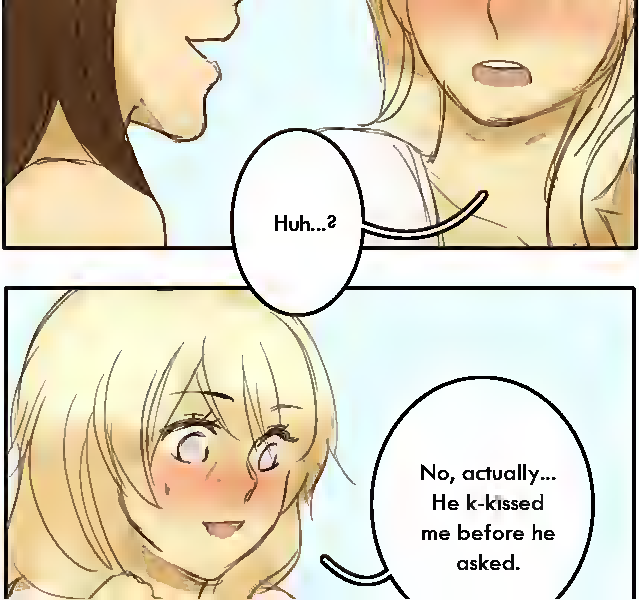


I knaw...
Dan't worry, I won't be drawing any attention anta myself.



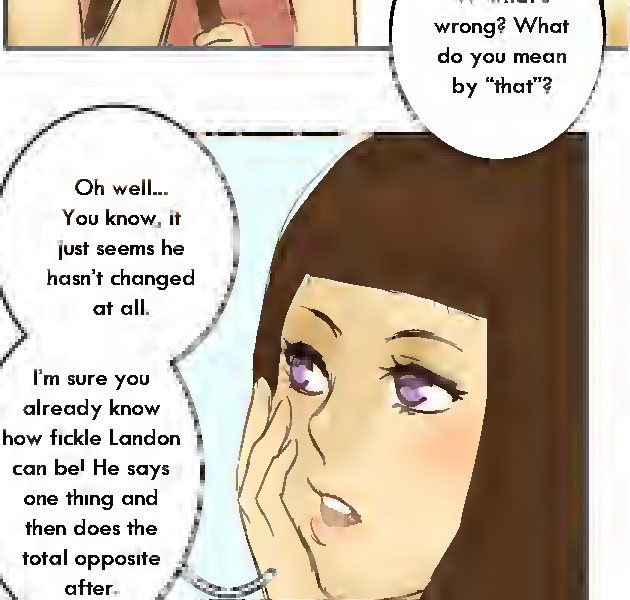
So you met
at the academy?

Yup!
Let me guess, he kissed you on the same day he asked you to be his girlfriend?

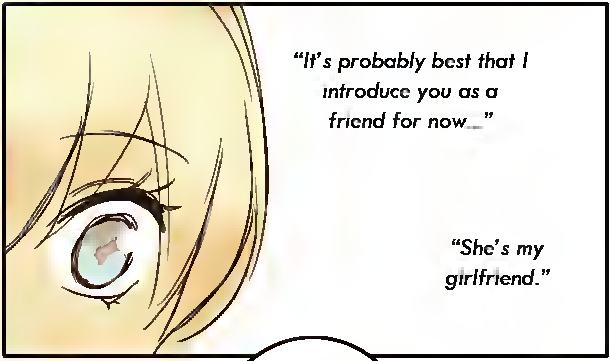


Huh...?
No, actually... He k-kissed me before he asked.

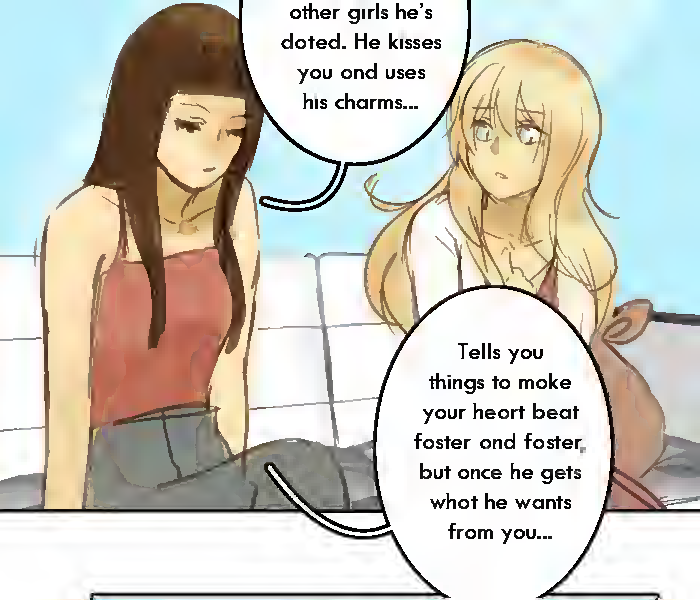
Oh no, so it's like *that*, is it?
W-what's



wrong? What do you mean by "that"?
Oh well... You know, it just seems he hasn't changed at all.
I'm sure you already know how fickle Landon can be! He says one thing and then does the total opposite after.

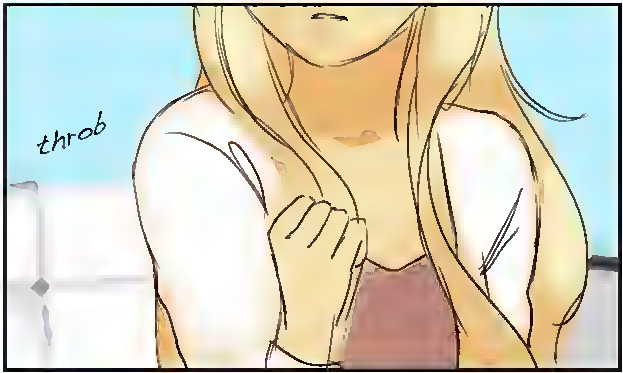


It's been like that with the



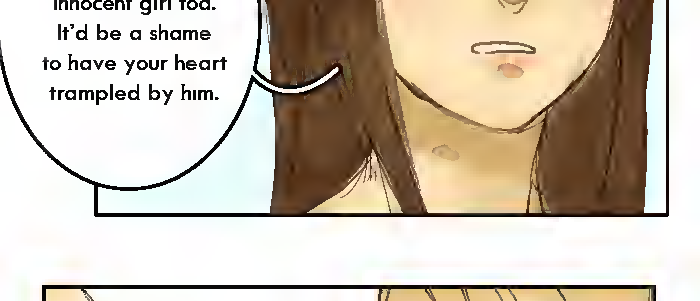
other girls he's doted. He kisses you ond uses his charms...
Tells you things to moke your heort beat foster ond foster, but once he gets whot he wants from you...

He'll leave you without blinking an eye and move on to the next girl.

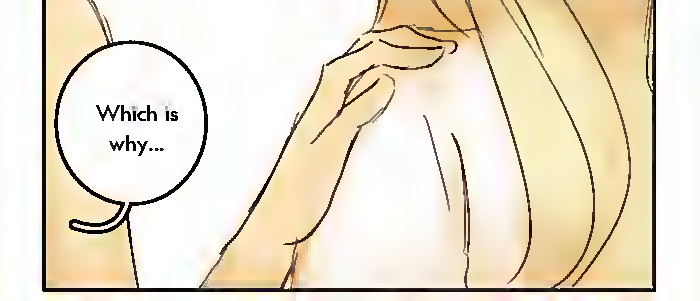


throb

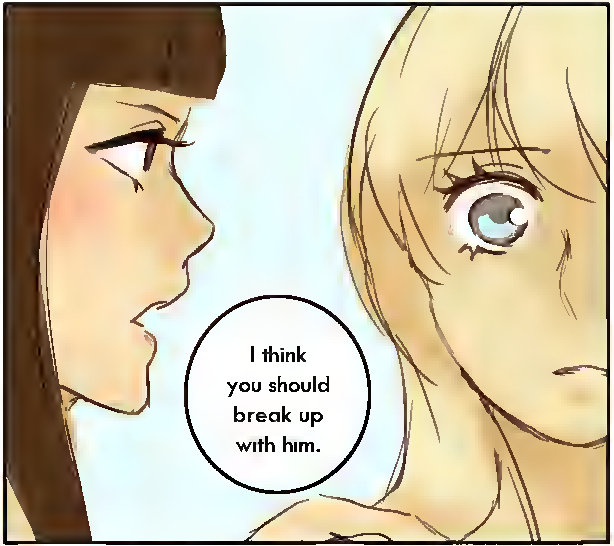
Th-that's not true... He's nat like that at all.
Trust me, dear. I told myself the same thing and had to learn the hard way.
Yau seem like such a sweet and



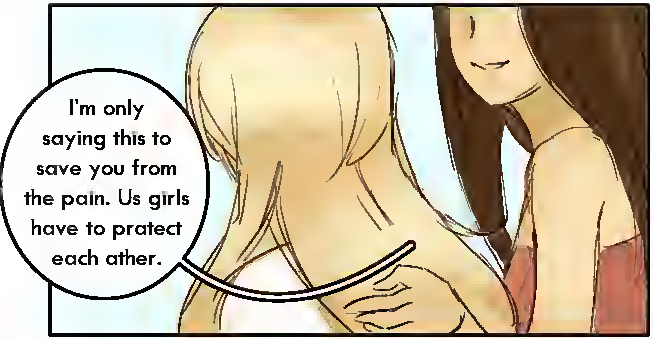
innocent girl too.
It'd be a shame
to have your heart
trampled by him.



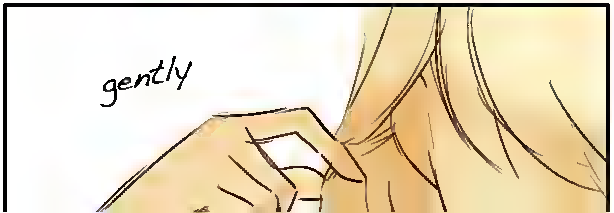
Which is
why...



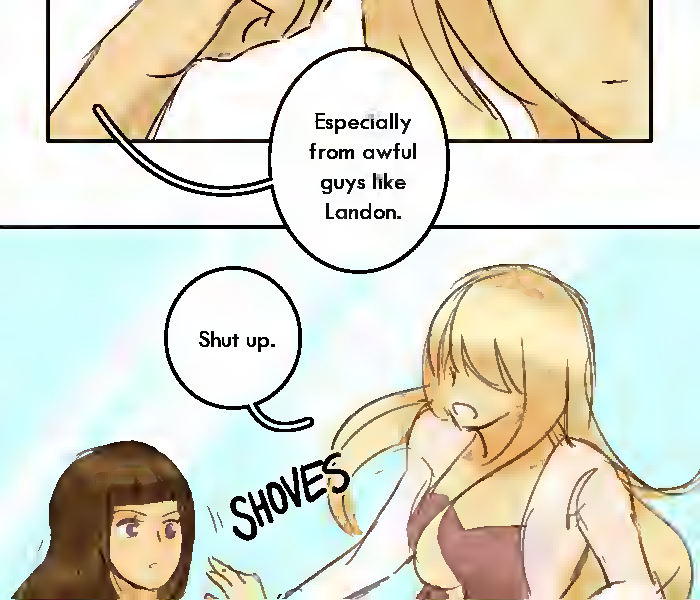
I think you should break up with him.



I'm only saying this to save you from the pain. Us girls have to pratect each ather.

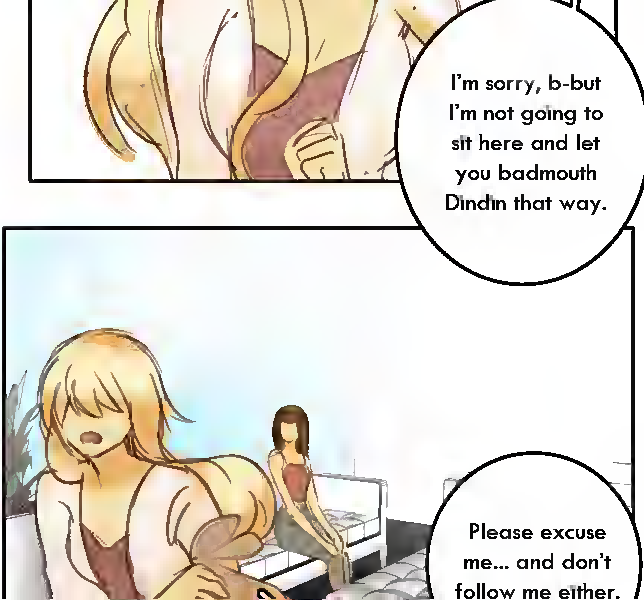


gently

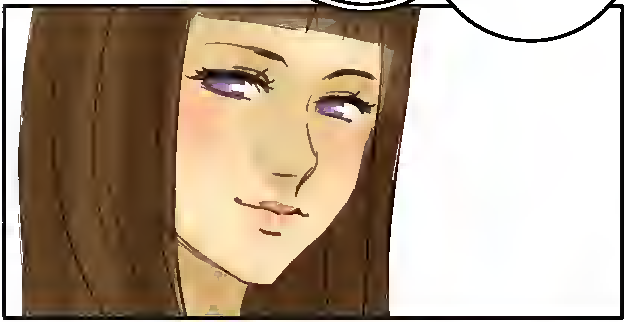


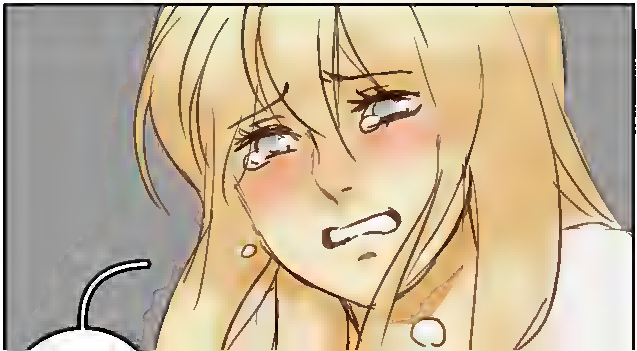
Especially from awful guys like Landon.
Shut up.
SHOVES

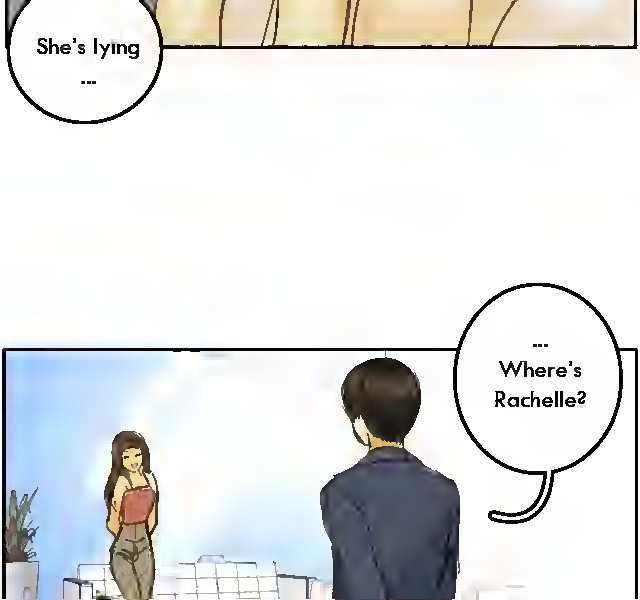
A-and don't touch me...



I'm sorry, b-but I'm not going to sit here and let you badmouth Dindin that way.
Please excuse me... and don't follow me either.



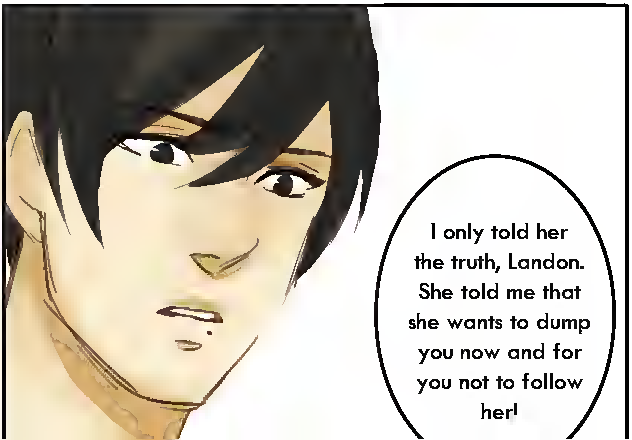




She's lying ...
... Where's Rachelle?

She had ta ga somewhere and went on ahead.
Hey! If you're nat busy, we should hang out, just you and me~

Cut the crap, Saya. What did you say to her?



I only told her the truth, Landon. She told me that she wants to dump you now and for you not to follow her!
